Headteacher: Mrs. C. Lancaster

9<sup>th</sup> November 2011

Dear Parent/Carer

### POTENTIAL STRIKE ACTION – WEDNESDAY 30<sup>TH</sup> NOVEMBER 2011

You may be aware from press coverage that UNISON and other public sector workers including Teaching Unions have balloted their members for strike action.

The indications are the result of the ballot will be in favour of the strike action. It is expected that if confirmed this will be on **Wednesday 30<sup>th</sup> November 2011**.

I am therefore writing to alert you to the possibility of disruption to classes on these days. It is not yet clear whether this could affect some classes in school or lead to the school closing. I am currently assessing the situation with senior colleagues, taking advice from the local authority particularly with regards to Health and Safety issues and will write to you again as soon as the position is clear.

Yours sincerely

Mrs. K. Atkinson  
Acting Deputy Headteacher
