

Honley C.E. (C) Infant & Nursery School
Visit to Magdale Fields & Woods

Dear Parents,

31st January 2012

As part of the Year 1 Science work (within our Topic 'The Three Little Pigs') we have been investigating the different types of materials needed to build a model house. As part of the conclusion of this work we will be having a 'Shelter Building' day at the end of this half term. In preparation for this day we would like to take the children on a trip to Magdale Fields and Woods on **Thursday 9th February between 9.15am and 10.30am.** We would really appreciate your support on this morning to be involved in leading a group in the collection of these materials. It would be necessary to bring with you any bags or containers you feel would be useful in the collection of these materials during the morning (e.g. a supermarket bag).

The shelter day will then take place on the following day **Friday 10th February.** Please could you ensure your child brings a waterproof jacket and / or trousers and suitable footwear (wellies/walking boots) to school on both days as these days will go ahead regardless of weather conditions.

Please return the reply below if you can help with this valuable visit on Thursday 9th February. We would be very grateful for your support.

Thanking you in advance.

Yours sincerely

Year 1 Teachers

Mrs. S. Asher / Mrs. V. Gill, Mrs. R. Morton & Mrs. J. Turner
